Notes:

– The table describes the EDI activities that have already taken place since the beginning of the month of May 2008.

– Exchange of outbound EMSEVT EDI messages: at least two outbound (A, B, C) item events were sent by the postal administration in May 2008.

– Exchange of inbound EMSEVT EDI messages (EDI messages at item level): at least two inbound (D, H, I) item events were sent by the postal administration in May2008.

– Exchange of PREDES/RESDES messages (EDI messages at dispatch level):

  o Number of partners each administration is sending PREDES messages to during the month

  o Number of partners each administration is sending RESDES messages to during the month

– The information in this table is correct at the time of publication and may be subject to amendments in future updates.
